1. Why are you here?
   ✓ UC-wide goal of zero waste (95% diverted from landfill) by 2020
   ✓ Zero Waste Events (ZWE) help us meet these goals
   ✓ To be an effective event, waste needs to be sorted correctly!

2. Before you begin:
   a. Know WHERE to get your supplies (gloves, extra garbage & bio bags), WHO your waste leader is, WHERE bags go after they are full, WHEN bags needs to be taken away
   b. Surprise items
   c. Make sure there are enough bins and that they are labeled
   d. Know the difference between recyclables, compostables, & trash
   e. Know what waste to expect from the event
